Student fellowship at Center for Theoretical Physics PAS

The Director of the Center for Theoretical Physics PAS invites applications for a student fellowship at the CTP PAS, financed from the project „*Constraints on the dark energy properties from observations of active galaxies*” Nr DEC-2017/26/A/ST9/00756. PI of the project is Prof. Bożena Czerny.

At the time of employment the candidates should either have a BSc degree, or will complete 3 years of the university studies. We search for candidates interested in the research in the domain of **astrophysics**. Candidates with previous experience in programming are particularly welcome. Among the tasks of the student will be the help in completing the observational data for quasars from the literature, help in data reduction from SALT telescope with the corresponding photometric data, and help in modelling the expected results from LSST. More details about the project can be found at the web site <http://www.cft.edu.pl/users/czerny>.

The application must include:

1. The scientific CV, including the progress in the university studies, scientific achievements (publications, participation in research projects and conferences), and the document must contain a statement;
2. Possibly a recommendation letter from a supervisor
3. Certified copy of the BSc diploma or the letter about completing three years of the university studies (before the beginning of the employment).
4. consent to process your personal data.

Submissions are to be received electronically (only pdf files) at the email address rekrutacja@cft.edu.pl by the closing date of **December 12, 2019**.

please add the reference number: BC/14/2019

All questions should be sent to the above e-mail address.

Review of applications is expected before December 15, 2019. Applicants will be informed about the results by e-mail. The selected candidate will be employed for a period of at least 6 months, with possible extension to 24 months. The fellowship is 2 250 PLN/month. The starting date of the employment is envisaged to be 15 December 2019.

Please note that this is not a PhD Fellowship.

Information clause - scholarship competition

Pursuant to Article 13(1) and (2) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation), OJ L 119, 04.05.2016, p. 1, as amended, hereinafter referred to as "the ARO", you are informed that:

1. The Administrator, i.e. the entity deciding how your personal data will be used, is the Center for Theoretical Physics of the Polish Academy of Sciences represented by the Director based in Warsaw, Al. Lotników 32/46. You can contact the Administrator using one of the forms of contact available on the website: <http://www.cft.edu.pl/>
2. The Director of the Center for Theoretical Physics of the Polish Academy of Sciences has appointed a Data Protection Inspector (DPO), who you can contact in matters concerning your personal data. You can contact the DPO by sending an e-mail to: iod@cft.edu.pl
3. your personal data will be processed in connection with participation in the scholarship competition, and in case of winning the competition, in connection with receiving the scholarship - on the basis of your consent - Article 6(1)(a) of the RODO.
4. your personal data will be processed for a period of 6 months after the end of the scholarship competition, and in the case of receiving a scholarship for a period resulting from legal and tax regulations;
5. your personal data will be made available to other entities that may finance and settle the scholarship, entities conducting research projects and entities authorized under the law. Access to your data will be granted only to persons authorized by the administrator;
6. Providing personal data by you is obligatory, if you do not provide them you will not be able to participate in the scholarship competition;
7. You have the right to access the content of your data, the right to correct them and limit the processing;
8. You have the right to lodge a complaint with the President of the Office for the Protection of Personal Data, if you consider that the processing of your personal data violates the provisions of the general regulation on data protection.

Consent to the processing:

- I agree to the processing of my personal data by CFT PAN included in the application form/application for the purpose of conducting a scholarship competition, and in the case of granting scholarships for the purpose of its payment and settlement. I provide personal data voluntarily and declare that they are true. I have read the information clause.
