Warszawa, 22.07.2020 r.

The Director of the Center for Theoretical Physics PAS invites applications for **one** PhD student fellowships at the CTP PAS, financed from the project "**Novel approach to decoherence and information transfer studies in open quantum systems**" **DEC-2019/35/B/ST2/01896** (OPUS). PI of the project is Dr hab. Jarek Korbicz.

We are looking for a candidate with experience in theoretical quantum physics, especially in the theory of quantum open systems. The tasks of the scholarships' holders will be to conduct theoretical investigations of advanced forms of decoherence such as quantum Darwinism and alike and write a doctoral thesis based on them. Details of the project will appear under the link: <http://warsaw4phd.eu/en/candidates/research-projects/>, tab Center for Theoretical Physics PAS.

The application must include:

1. The scientific CV, including the progress in the university studies, scientific achievements (publications, participation in research projects and conferences), with the clause "I agree to the processing of my personal data contained in the application documents for the purposes necessary for the implementation of the process recruitment by the doctoral school Warsaw-4-PhD".
2. Motivation letter.
3. A copy of the master's degree diploma (by 1st October 2020)
4. Copies of documents confirming scientific or professional achievements.
5. Optionally, a letter of recommendation from a researcher with at least a PhD degree, concerning the candidate and his/her current scientific activity.

The documents should be sent electronically via the system at www.warsaw4phd.eu by **24 August 2020**. The scholarship will be granted in accordance with the annex to the resolution of the NCN Council 96/2016 of 27 October 2016 (around 5000 PLN per month).

If you have any questions, please send an e-mail to jkorbicz@cft.edu.pl.

The competition will be settled by **17 September 2020**. Candidates will be informed electronically of the results of the competition. Admission to the Doctoral School and the beginning of the scholarship are scheduled for October 1, 2020.

The information obligation for the employee pursuant to Article 13 of the Collective Labour Agreement*:

Information clause in the process of recruitment for studies:

In accordance with Article 13 of Regulation (EU) No. 2016/679 of the European Parliament and of the Council of

27 April 2016 on the protection of individuals with regard to the processing of personal data - General Data Protection Regulation (OJ EU L 119/1 of 4 May 2016) informs that:

1. The Administrator, i.e. the entity deciding how your personal data will be used, is the Centre for Theoretical Physics of the Polish Academy of Sciences represented by the Director with its registered office in Warsaw, Al. Lotników 32/46. You can contact the Administrator using one of the forms of contact available on the website: <http://www.cft.edu.pl/>

2. The Director of the Centre for Theoretical Physics of the Polish Academy of Sciences has appointed a Data Protection Inspector (DPO) to whom you may contact in matters concerning your personal data. You can contact the DPO by sending an e-mail to: iod@cft.edu.pl

3. Your personal data will be processed in order to conduct the recruitment process for the studies;

4. The basis for processing your personal data are the provisions of the Law Act. on Higher Education and Science (consolidated text: Journal of Laws of 2018, item 1668);

5. your personal data will be processed for a period of 6 months after the completion of the recruitment process, and in the case of admission to university in accordance with the course of study, and then will be archived in accordance with the applicable regulations.

6. Your personal data will not be made available to other entities, with the exception of entities authorized under the law. Access to your data will be granted to employees and members of university recruitment committees authorized by the administrator;

1. Providing personal data by you is mandatory, if not provided you will not be able to participate in the recruitment process;

2. You have the right to access the content of your data and the right to rectify them, limit their processing;

3. you have the right to lodge a complaint with the President of the Office for the Protection of Personal Data if you believe that the processing of your personal data violates the provisions of the general regulation on data protection.

I agree to the processing of my personal data by CFT PAN, in order to ensure the conditions for full participation in the recruitment process for studies. I provide personal data voluntarily and declare that they are true. I have familiarized myself with the content of the information clause, including information about the purpose and methods of processing personal data and the right of access to the content of their data and the right to correct them.
